CONTRACTORS AND SUPPLIERS

COMPANY PROFILE

About US

We at Vishal Electrical are committed to provide integrated solution in field of electrical engineering & industrial automation.

At Vishal Electrical our objective is to produce safe and quality Electrical solution in a positive, closely Controlled, well-managed & professional manner. This can only be achieved with good understanding and with the correct use of Management tools like Reporting, Progress evaluation and an imaginative flexible approach. Our strong engineering team is good enough in communication with clients, contractors & consultants.

We continually add new technologies into our ongoing projects to improve the performance, reliability and its functionality, thus maintaining our competitive advantage as we deliver products of excellence.
